RESISTANCE

COMIC STARTS HERE

TANCE

One of the first things I learned as a *pilot* is how to adapt to *every* situation. Your whole *world* can change in a *heartbeat*.

Yesterday I was *alone*, staring *death* in the face...

Commander...

Seconds later, I'm *rescued* by a *legend* of the *Resistance*.

Commander *Dameron*!

Kinda *busy* right now, kid!

I've got an idea! Bring him *this* way! I've got a *surprise*...

New Republic Command had sent me to deliver vital intel to the Resistance, intel that confirmed *everyone's* worst fears...

# THE RECRUIT

## Part 1

Whoohoo! That got 'em!

BAP!  
BAP!

BAP!

KROOOM!

The *First Order* is planning a full-scale attack on the New Republic.

And the Resistance don't know *where* that attack is going to come from, or *when*...

He's getting away!

Something *else* you learn as a pilot. When your world suddenly *changes*, you've got to change *with* it.

SHOOOM!

We'll get him next time. Great work, kid!

Not that I had any *choice* but to race. *Neeku* had already signed me up as a challenger... At least he *means* well...

We're just gonna *look*, right? There's no harm in *that*, I guess.

WARRRK?

WAK-WRRRK!

WAK-WURRK WAK!

All right, the hangar's got to be back here...

Yeager's won *so many* racing awards.

Wow! He was in the *Rebellion*, too?

I didn't know Yeager was at the *Battle of Jakku*.

We got you!

BWAAAAA!

Uh... Th-thanks, Yeager.

Well, *that* was unexpected...

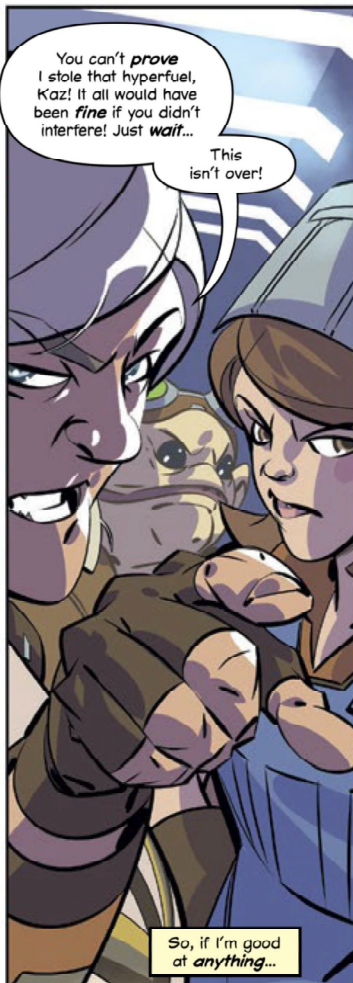

Almost as unexpected as Yeager *not* kicking me out later!

You may not be the greatest mechanic...

And you're a questionable spy at best, but you're a *good person*, Kaz.

And that kid was *lucky* to have *you* as a friend.

You can't *prove* I stole that hyperfuel, Kaz! It all would have been *fine* if you didn't interfere! Just *wait*...

This isn't over!

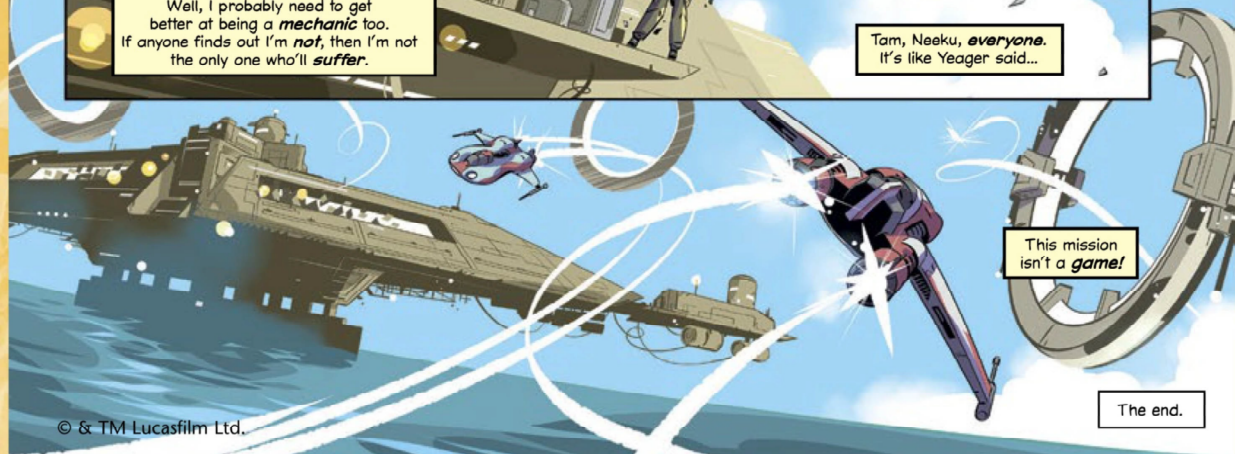

So, if I'm good at *anything*...

It's at being a *person*?

Well, I probably need to get better at being a *mechanic* too. If anyone finds out I'm *not*, then I'm not the only one who'll *suffer*.

Tam, Neeku, *everyone*. It's like Yeager said...

This mission isn't a *game*!

The end.
